

Color and Coating Collection

Colour Choice for Interior and Exterior Application

Colours which exactly fit your visions. This is our offer. We are able to paint our panels in more than 3000 colours according to RAL Classic or NCS S Edition 2. Additionally, we offer our specialised BruagAlu* colours which are enhanced with aluminium flakes to provide extra protection and a glimmer effect. Also special colours on customer request are possible on demand.

*ask for a colour chart to be sent to you by post if you are interested especially in Bruag Alu paint.
